Celebrate Summer. Support Our Energy Family.

Join Oilfield Helping Hands (OHH) for the Appalachia Summer Social, an evening of networking, entertainment, and community impact. Connect with industry professionals from across the region while enjoying great food, cold drinks, and live music in a relaxed summer setting.

The event will feature a live performance by Ruff Creek from 6:30 p.m. to 8:00 p.m., creating the perfect atmosphere to unwind, build new relationships, and strengthen existing connections. Whether you're looking to expand your network, entertain clients, or simply enjoy a night out with colleagues, this event offers something for everyone.

By attending or sponsoring the Appalachia Summer Social, you'll help support the mission of Oilfield Helping Hands, providing financial assistance to oilfield families facing hardship due to illness, injury, or other unforeseen circumstances. Together, we can make a lasting impact while celebrating the strength of our energy community.

Register today and help OHH continue providing a true "hand up" to the oilfield families who need it most.

About OHH

Oilfield Helping Hands, established in Houston in 2003 as a nonprofit charitable organization, helps oilfield families in financial crisis. Since 2003, the organization has provided more than \$7.2 million to date to industry workers and their families

and continues to work in the most economical fashion to maximize the funds available to recipients each year. Since our beginning, we have expanded to establish chapters in the Rocky Mountains, Permian, Haynesville, Appalachia, Eagle Ford, and Dallas/Fort Worth, and are working toward establishing chapters in other areas of the United States that have an active oilfield community.
