Tee Up for a Great Cause

Oilfield Helping Hands (OHH) is teeing up its Inaugural DFW OHH Memorial Charity Golf Tournament on Friday, September 11th, and you're invited to join the fun at Bear Creek Golf Club, one of DFW's top golf destinations. This signature event brings our industry together for a great day on the course – and an even greater cause.

Every sponsorship and team registration supports oilfield families facing unexpected financial hardship through no fault of their own. It's a chance to give back to our own while enjoying friendly competition, meaningful connections, and plenty of laughs along the way. We would also like to thank our First Responders, Veterans and Active Duty Military by offering a 25% discount per team registered with one of our Heroes.

Players can look forward to fantastic food, exciting prizes, and on-course challenges made possible by our generous sponsors.

Register today and help OHH continue providing a true "hand up" to the oilfield families who need it most.

About OHH

Oilfield Helping Hands, established in Houston in 2003 as a nonprofit charitable organization, helps oilfield families in financial crisis. Since 2003, the organization has provided more than \$7.2 million to date to industry workers and their families and continues to work in the most economical fashion to maximize the funds available to recipients each year.

Since our beginning, we have expanded to establish chapters in the Rocky Mountains, Permian, Haynesville, Appalachia, Eagle Ford, and Dallas/Fort Worth, and are working toward establishing chapters in other areas of the United States that have an active oilfield community.
