www.oilfieldhelpinghands.org

CSI TECHNOLOGIES

DEVELOPMENT DRIVEN. FIELD FOCUSED.

CSI Technologies, LLC

CSI Technologies is an engineering firm and laboratory wholly dedicated to the improvement and advancement of oil & gas well cementing.

We offer a full platform of services designed for the achievement of your cementing objectives.

The Services:

Cement
BETTER.

- Design & Engineering Support
 - In-House Business Unit ‘Direct Support’
 - Expert Program Review ‘Need vs Cost’
- Laboratory Testing
 - Slurry Evaluation
 - Failure Investigation Testing
- Field Advisor / Performance Auditing Services
- Operator Focused Cement Training

CSI has conducted...

- Over 1,500 cement related failure investigations
 - 2,500+ Field Execution Audits
 - Engineering supervision for more than 500 ControlSEAL™ epoxy resin applications
 - Field 30+ client focused training courses
 - Thousands of laboratory tests for slurry analysis and product development
 - 15 major government funded research efforts
-

OILFIELD
HELPING
HANDS 

Dear Jim & Oilfield Helping Hands
Board Members,

Our most heartfelt thank you
for the amazing \$3,000. for Taylor's
communication device and mounting
medical bills! For the first time
in almost 11 years with Taylor, I

Thank You

finally have hope! we are so
grateful, and appreciative. Paying
his final surgery bill felt so
incredible! Thank you very
much!

Warmest Regards,

 &
TAYLOR!

thank
you

We would like to thank
you from the bottom of our
hearts for all of your help.

David & Debbie

OILFIELD
HELPING
HANDS

Thank You

I don't have the words to express my Heartfelt gratitude once again for the generous contribution you provided today to Corey and Sylvia Petro. These funds are going to be of great help to their current financial situation. It was so special to be present and witness tears of joy from Corey. He is an amazing man; full of hope and love for his family! And, Sylvia, she touched my heart with her everlasting smile at life; what a positive atmosphere and love their home is filled with.

Thank you all for your unconditional support when we reach out to you all; and for caring so deeply for others in need.

God Bless each and every one of you, your families and this amazing organization.

Warmest regards and Forever Thankful.

Update Terry Edwards

Terry Edwards -In October of 2014, Terry had his right foot amputated due to diabetes. He has suffered from multiple complications, including MRSA infection which caused kidney failure. (Kidneys now appear to be working well.)

Due to infections, on May 21, 2015 Terry had his left foot amputated. The surgery site is not healing well and appears to be infected.

Update 08/10/15 from Liz (his wife)

Terry went to the surgeon today and he said the leg is not infected and will heal. Finally some good news.

His heart is only working at 25% last week at cardio appt. so they doubled up on Meds. His lungs were full of fluid. We go back to him in two weeks to see if double lasix has helped plus double heart Meds. If not then they will look for blockages. His spirits are up Barry took him to shoot his 6.5 Grendal this weekend.

OILFIELD HELPING HANDS

Update

This is where some of your donations and fun shoot proceeds were used. Terry and Liz are VERY grateful for all of the support. He is now mobile with the new chair installed in his truck. His spirits are very good especially now that he can get out and about.

OILFIELD
HELPING
HANDS 

Update

Terry Edwards

Although OHH has provided some assistance to this family, it does not cover all their expenses. Friends have set up a [GoFundMe](#) account to collect donations to help this wonderful family through these tough times.

If you can make a donation please visit:

suffered a stroke on
March 7, 2013

Steve Spitzenberger

Dad is doing well! He just had surgery on his lip nerves last Wednesday and is now home!! Still recovering a little, taking it easy!! We hope this is his final surgery to put humpty dumpty back together again ha ha We should start seeing full results on his face in 6 months to a year. We are praying it works because we want to see his sweet smile again!!

Thank you all again for everything you do!! 😊

Oilfield Helping Hands (OHH) is about helping Houston-area oilfield families in critical need of financial assistance; it is about raising money and keeping costs down; it is about feeling good knowing you have helped someone in your immediate oilfield community and having fun. We are all volunteers.

Since 2003, we have assisted 72 families with more than \$847,000 in financial aid. We have nine corporate members and about 300 individual members – and we invite you to join us as we continue to provide needed financial support for some of our oilfield family. You can learn more about us – what we do and how you can help – on our Website.

It's easy to join (and free for individual members), rewarding and fun to volunteer. We invite you to get involved!
